

C. I. Container Lines Announcement

China National Holiday Oct 1, 2014 thru Oct 7, 2014

China will celebrate its annual National Holiday the first week of October. Most business functions and offices will be closed during this period and will return to work on Oct. 8th. Some of the terminals and port operations, especially in North China will also diminish during this period. Many of the carriers omit calling on Shanghai and other ports due to the lack of cargo volumes the week after this period. Any urgent cargo should be turned over next week to avoid any delays. Please contact our freight department if you have questions or specific needs.
